Brokerage Event

Chemistry and Biotechnology for
Renewable Resources and Energy

ACHEMA 2009

Monday, 11th | Tuesday, 12th May 2009

Business Support on Your Doorstep

Introduction

ACHEMA is the world's leading event for chemical engineering and the process industries, with more than 4,000 exhibitors from 50 countries and 180,000 visitors. During the exhibition, the special show "Chemistry and Biotechnology for Renewable Resources and Energy" will showcase the most recent contributions from chemical engineering and biotechnology to the sustainable utilization of renewable resources.

The Enterprise Europe Network Hessen, in co-operation with partners from the network, is organising an international brokerage event at the trade fair. Covering the topics of the show, this event is a platform for stakeholders from science and industry to share innovative technologies and initiate cross border co-operations.

The Enterprise Europe Network Service – Targeted support for small businesses

With more than 500 contact points and almost 4,000 experienced staff, the network is the largest in Europe providing expertise and services for business:

- Organising business cooperation
- Providing a platform for cross-border cooperation
- Accessing EU projects and funding
- Promoting innovation
- Going international

Find out more about the network:

www.enterprise-europe-network.ec.europa.eu

Who should attend?

The brokerage event is a platform for stakeholders from science and industry to share innovative technologies and initiate cross border co-operations. It is targeted at:

- Small and medium-sized enterprises as well as larger companies
- Scientists / research institutes
- Start-up companies and entrepreneurs

Why you should participate

The brokerage event is an ideal opportunity to:

- Observe new and innovative technologies
- Access new solutions for existing problems
- Establish new collaboration opportunities
- Meet international business partners
- Access information about EU funding

Individual meetings

Shortly before the event each participant will receive a personalised meeting schedule. Meetings lasting approx. 25 minutes will take place on Stand D18–E19, Hall 4.2 on Monday, 11th and Tuesday, 12th May 2009.

Deadlines

03 April 2009: Registration and submission of profiles

17 April 2009: Requesting meetings

27 April 2009: Accepting / rejecting requested meetings

Price

Participation at ACHEMA 2009 Brokerage Event is free of charge; however participants must pay the entrance fee to the fair.

Registration

Register for the brokerage event at:

www.achema.de/biomatch

or contact your local Enterprise Europe Network partner, who will assist you before, during and after the event with your profile, contacts, meetings and follow-up.

How it works

1. Register online (www.achema.de/biomatch) and fill in your company and technology profiles.
2. Browse the online catalogue and find interesting partners from all over Europe.
3. Request your individual meetings with potential co-operation partners from the online catalogue.
